  - c) 8 players – 2 foursomes
  - d) 9 players – 3 threesomes
  - e) 10 players – 2 threesomes, 1 foursome
  - f) Going forward with more players, every effort will be made to have an even number of players on all teams (ex. 18 players – 6 threesomes) and will be set by the tournament director
  - g) Teams will be solely made up of former crewmembers of the USS Ray or their guest (guests must be registered with the official RayUnion muster list)
- 5) If there is a mix of teams (ex. 2 threesomes and 3 foursomes), the threesomes will get a fourth shot. Each player on the threesome will alternately get an extra shot per hole. A 70 year old man may start on the Gold tees but must play the Gold tees for the entire 18 holes).

- 7) Unless USGA or local rules allow a better lie, Captain's choice ball placement must be within 1 club length of the original shot no closer to the hole unless the choice is from the green. If Captain's choice ball is in the rough, other players' ball placement must be in the rough. If Captain's choice ball is in a hazard, other players' ball placement must be in the hazard. If the Captain's choice ball is on the green, other players' ball placement must use the same ball placement as the chosen ball.
- 7) Prizes will be determined by the tournament director after registration is complete. Prizes may include but are not limited to cash, gift cards, trophies, etc.
