Subj: Battle Efficiency Awards for Excellence

1. The Commanding Officer takes pleasure in commending you for your superb performance of duty and personal effort which materially contributed to RAY winning the coveted Battle Efficiency Award for Excellence, the Engineering "E" and the Antisubmarine Weapons and Operations "A" for Fiscal Year 1975.

2. This "clean sweep" of battle efficiency awards was achieved only through the combined efforts of every member of the crew who served in USS RAY during the competitive fiscal year. This noteworthy achievement was further indicative of the continuing pride and professionalism displayed by you and the other members of the crew. Your efforts reflect the high esprit de corps evident in RAY. Well done!
